RE: 50 AWARD-WINNING LOCAL BUSINESSES

DATE: 6/30/06

The People have spoken, and they *love the City of Burlington*, for dining out, browsing and beautification.

The City of Burlington Tourism Council is pleased to recognize these winners of the coveted 2006 Burlington County Times "Burlington County's Best" Awards (*See random list, page 2*).

Among thousands of businesses in New Jersey's largest County, 50 awards went to firms in our tiny, ancient City. They achieved "Best" ranking, as determined by popular vote. Thus, visitors are virtually assured of an excellent experience as they shop, dine and tour here.

Thank you for your continued enthusiasm and support of our charming city. We know you'll want to frequent the winning shops, as well as the "*up-and-comers*". Come and enjoy the new stores, services and restaurants in our downtown. Welcome to the historic City of Burlington, where the past is our present to you.

Sincerely,

Grace Shultz  
Chair, Tourism Council
